I have just received Michael's faxed request for an update on Mississippi ethanol activities. Please let Michael know that we are honored to be asked, and that we will be delighted to submit a report.

Please feel free to contact Bubba Weir, Executive Director of the MS Alternative Energy Enterprise with any questions or further information you might have, along with a deadline by which you would need our report. I have copied Bubba on this message, and his direct phone number is 601 960 3620.

Thank you very much,
